By Line of Business

RMG Consulting has unique competency in each of the following claim areas:

- General Liability including Products
- Standard and Non-Standard Automobile / Transportation
- Professional liability including E&O, D&O, Medical Malpractice, and others
- Property / Marine
- Workers' Compensation
- Asbestos and Environmental
- Recovery / Subrogation
- Other Specialty Areas - Our staff is capable of all facets of the claim handling cycle from pre-quote audits before business is written to the culmination of how a particular claim, program or book of business is concluded. We have the ability to assess early warning signs to predict how a program or a book of business will develop and recommend whether to continue to write or discontinue particular risks. We accomplish the above through a combination of technical expertise, data mining and analysis as well as systems knowledge. We know how to link claim management, escrow loss funding, and the direction of a partner and are exhibited in several niche segments. Also refer to Complex Claim Oversight section.
