Services

RMG CONSULTING, LLC has enjoyed continued growth and success by providing our clients with measurable value that results in bottom line savings. We have experience in the following areas:

- We will manage the operations, underwriting, and claims processes for virtually all P & C lines of business on an interim basis.
- Manage operations utilizing all production channels, from small rural agents to wholesale brokers.
- Design and implement business unit and strategic plans and metrics in turnaround and start-up situations.
- Design and implement underwriting and claims handling guides and operational processes.
- We will analysis program and business proposals to increase profitability.
- Perform operational due diligence on potential business acquisitions and partners.
- Execute line, class and market entry and exit strategies.
- Train and develop employees.

An example of the services we offer is as follows:
